Below is a partial list of some of our satisfied small business clients that we have helped across the country:

What a great value we received from the staff at T. J. Stewart small business consultants. We sold our small manufacturing firm in Phoenix, AZ. We purchased your “By-Owner” sales package and sold our business for top dollar and saved over \$40,000 in business brokerage fees. With your help, we were able to package our business for sale quickly and find a buyer who paid our price and close the sale. We are big fans of T J Stewart. Gerald T. – Phoenix, AZ

We contracted with Stewart to provide a customized for sale by owner package to sell our restaurant. At first we were skeptical of trying to sell our business ourselves but following his instruction and using his tools made the job pretty painless and we love being able to save the brokerage fee. Jesus R. – Miami, FL

Your service to sell our business by owner was great. It was easy to implement and we appreciated that you were available by phone too to answer questions along the way. We are very pleased as this service saved us many thousands of dollars we didn't have to pay in business brokerage fees. John T. - Dallas, TX

Thanks guys, your business appraisal and financial analysis were just what we needed to cure a few problems and help us get the loan we needed. I look forward to your guaranteed profit program in the near future. Louis B. - Chicago, IL

To whom it may concern: although we were quite skeptical of your guaranteed profit development program, we did as you recommended and our profits grew nicely. You made a believer out of us, thanks again, Carlos R. - LA, CA

Thank you, thank you, thank you for helping us sell our business without a broker. This saved us thousands. This is good stuff. Thanks again. Billy J. - Denver, CO

.... Your analysis of our small business saved us from going bankrupt. I can't thank you guys enough. Linda W. – New Orleans, LA

... I just had to write to thank you for all the help your firm give us in packaging and selling our business. Your analysis was spot on and helped us cure some of our ills and get back on the profitable track which helped us get a higher sales price. I also love the fact that you were able to sell our carry back loan from selling the business. Thanks again, Bob W. – Seattle, WA
